

# PACS Access

**BAMIPACS.COM**

The Bellingham Advanced Medical Imaging picture archiving and communication system (PACS) gives referring providers a timely, easy-to-navigate and secure portal for accessing images and exam reports. Still have questions? Call our **PACS Administrator** at **(360) 428-7260**.

## APPLYING FOR AN ACCOUNT

- » Open a web browser and navigate to <https://www.bamipacs.com> (Internet Explorer preferred).
- » Click on “**Apply for Account.**”
- » Follow the directions on screen, including signing a HIPAA compliance agreement.
- » We will verify your account, and access will be granted within a few business days.

## LOGGING IN

- » Open your web browser and enter the web address <https://www.bamipacs.com> (Internet Explorer preferred).
- » Enter username and password.
- » Click on the arrow or press enter to access the site.

## SEARCHING FOR PATIENTS AND IMAGING EXAMS

- » In the search box, you must type at least the **first two characters of the patient’s family name, ID** or the **accession number**. Press enter.
- » To filter the search results by add the **date of birth**, select the down arrow within the search box and enter the date in the following format: **DD/MM/YYYY**. Press enter. Note: If the list of search results is longer than one page, click on a column title to sort the results.
- » Select a patient from the search results. The patient record will appear, allowing you to view all orders associated with the patient and any candidate patient orders.
- » Click on an order or a candidate patient order to view detailed information.

## RADIOLOGIST CONSULT

Our subspecialized radiologists are standing at the ready to answer questions you may have about your patient’s diagnostic imaging. Call **(360) 255-6330** and **PRESS 9**. We’ll connect you directly to our experts.
